

Concept Design Group can offer a range of 3D imaging packages to help you visualise your new home, addition or commercial development.

BLACK & WHITE

Helping you visualise the overall form of your project.

- ✚ Initial Perspective – free (for new homes only. Additional charges apply for extensions)
- ✚ Additional Views - \$50.00 + GST each

COLOUR IMAGE

Helping you to visualise the overall form and colour of your project.

- ✚ Initial Perspective - \$150.00 + GST
- ✚ 2 Perspectives - \$250.00 + GST
- ✚ 4 Perspectives - \$500.00 + GST

PHOTOREALISTIC

Helping you to visualise the overall form of your project and selected materials in a photorealistic presentation.

- ✚ Initial Perspective - \$400.00 + GST
- ✚ 2 Perspectives - \$750.00 + GST
- ✚ 4 Perspectives - \$1400.00 + GST

3D INTERNAL IMAGES

Helping you to visualise the internal spaces of your project.

(Due to the varying uses and complexity of internal spaces, these images are charged at an hourly rate.)

 **\$120.00 + GST per hour.**

3D FLOOR PLAN

Giving you an overall 3d view of your floor plan helping you to visualise how the individual spaces of your project will co-exist together and illustrate the flow of transitional spaces.

 **\$120.00 + GST per hour.**

SHADOW CASTING

To provide an in depth investigation into the solar gain within spaces of your project allowing you to better explore its thermal qualities. By achieving a thermally efficient home / development, you are able to reduce costs through artificial mechanical heating and cooling methods.

 **\$120.00 + GST per hour.**

***The above prices are based on a single storey residential development.
Commercial and 2 storey homes will be quoted upon evaluation of scope***
